Topic 1: Membership Report

The club at present has 140 members and we continue to grow.

Topic 2: 2022 Car Show

The CCBCC Car Show is on track. Harbor Park is reserved and approved. Still looking for Raffle Prizes for the Car Show and Trophy Sponsors. Raffle prizes can be given to any board member or brought to a club meeting and given to Pam Justin or Terry Schuller. Pam Justin has a form that she sends out to prospective car show and trophy sponsors so if you know of an organization that might want to sponsor the show or trophies contact Pam Justin at pjquilter1@hotmail.com and provide her with the contact information for the prospective sponsor so she can get in touch with them.

Topic 3: The May Club Drive

The May Drive and Picnic to King Gillett Ranch was a great success and a lot of fun. We had 17 cars and 27 people attend and participated. The drive took about an hour and a half with a picnic lunch at the ranch. The event was enjoyable and several people commented that we should have more of these drive and picnics as club events.

Topic 4: Camarillo Air Show and Car Display

The Camarillo Air Show and Car Display is on August 20th and 21st, 2022 at the Camarillo Airport. Tickets must be purchased online and each ticket for a car provides two people access to the display area and air show. Several of the members have already signed up for the 21st so if you wish to attend and want to display your car mention on your application that you are with the CCBCC so we can park in the same area. Also let Michael Gustafson know so he can put together a meeting place and time so we can all drive in at the same time for conveyance of parking.

Topic 5: Wheels and Wind Mills

The Wheels and Wind Mills car show in Solvang, Ca. is a great show but limited to 200 entrants. It is on August 27 (Saturday), 2022 in Solvang and is a worthwhile show to just go and see if you are not entering your car. There are several members from the club that participate in this show so if you are going to attend let Michael Gustafson [mikegus999@gmail.com] know as we normally drive up together early on that Saturday morning .

Continuation from page 1

A friend alerted me there was a 1960 Austin Healey 3000, Mk1, BN7 (2-seater) for sale on the “Bring a Trailer” web site. My friend knew I had owned the same exact make and model Austin Healey when I was a nineteen year old kid living in the San Fernando Valley; so I grabbed my laptop and with great curiosity I went to the BaT webpage to visit an old friend... The BN7 was living in Michigan and was being sold by a physician who had purchased the BN7 from the shop that performed a restoration a few years earlier. I had several talks with both the shop owner and the physician and we were able strike up a deal. I arranged transport from Michigan to Camarillo and took delivery in October 2020. Since delivery I have done several mechanical and aesthetic improvements which brings the BN7 up to the quality you can see in the picture taken next to my front yard Coral tree... It is a fun vehicle to drive, has an extremely smooth ride with no vibrations, squeaks or rattlers, has plenty of torque and does not overheat even when left idling and because of the recent addition of high quality insulation; I do not experience the “Healey Hot Foot” even when the outside temperature is in the high nineties... I look forward to showing her off at upcoming CCBCC events... Thank you for choosing BN7 for this month's cover photo...

Minutes continued from page 3

Topic 6: Julie Time

How about an article for the newsletter??? I know you have something to say about your car, a trip with your car, an outing, a technical article. I am sure you must have a picture of your drive that you would like to see on the cover of the newsletter.

I am attempting to put out a newsletter every month, there may be times I miss a month due to being away.

The newsletter is a vital piece of communication to keep members informed of what is happening within our club and lists events that are happening that may be of interest to club members.

I would like to feature one member's British car on the cover of each newsletter. If you would like your ride displayed on the cover, please send me a high resolution picture of it in a nice place (not just the parking lot at work!!) to dtreid@gmail.com

I have no more pictures for the front page of the newsletter. Let's see some of your favorite pics of your British car.

ARTICLES NEEDED:

The newsletter is in need of articles on anything to do with the club or British cars. Please use Microsoft Word and save as a document. If possible use font Arial, size 12 and do not do any formatting, just paragraphs of words.

Another Mini? Yep, Another Mini - Scheduled for October 10th thru the 14th, 2022, Monday thru Friday

We had such a fun time with the Mini last year, we will have another one this year. It is called the Mini as opposed to the Mille because it is shorter. It's a little over 600 miles in 5 days instead of over 1,000 miles for the Mille.

5 days? Yes. 5 days. Last year it was 4 days but one of those days was a little hurried so we will add another day to make the tour a little more leisurely.

On the first day, the picnic lunch at Dinosaur Caves Park will be 2 hours instead of one. Last year, happy hour was one hour. This year, happy hour will be 2 hours. And we will figure out a way to have heavier hors d'oeuvres at happy hour.

This mini will have more of an emphasis on socializing. And we will have more time to enjoy Monterey with our friends on the tour.

The route: Day 1: Ventura to Cambria. Day 2: Cambria to Monterey. Day 3: Monterey and the 17 mile drive. Day 4: Monterey to San Luis Obispo or Avial Beach. Day 5: Return to Ventura

The cost? With inflation as it is, the strategy will be to stay at some nice places that are close to restaurants and attractions that will be reasonable in costs.

That's it so far. More details to come.

If you have any questions or suggestions, email or phone us. Mike & Gina Carlson 832/655-8760
