Calendar of coming events:

- November 5-Monthly club meeting at Tony's Restaurant in Carpinteria. Thursday, 7pm. See comments elsewhere in this newsletter.
- November 7- TURKEY TROT RALLYE and picnic in Ventura. Starting from Holiday Inn, Ventura. Driver's meeting at 0830, with first car out at 0930. Entry fee of \$5.00/car.

Minutes from October meeting:

1. 23 enthusiasts attended our October 1st meeting at the Ventura Round Table Pizza meeting.
2. Our treasury stands at \$609.
3. Tom Culbertson brought custom C.C.T. license frames to the meeting. These attractive frames are at \$9/ea. For you who are interested please contact Tom Culbertson at (805) 933-3684. Thank you Tom for taking the initiative to made this club identity item available.
4. There has been more than a passing interest into the matters of a club tent and banner to show our colors at various club functions. Ron Kibbe has volunteered to look int o these items as to their respective costs. I think an open tent allowing members and guests to rest from the sun would go a long way toward go wills among enthusiasts.
5. Jim Hembly has resigned as Advertisement coordinator. I'm not convinced that the club needs one at this point. Till further notice, all classifies should be submitted to club's officers before the 15th of each month.
6. Staging points were announced for All British Cars Day and 87' Triumphest.
7. Bob Klope brought some polishing products from the Schimps. For you who heard Dee and John Schimp's presentation at the August

meeting and are willing to try the product, contact Bob Klope at (805) 653-7233.

8. Program of the evening was videos of this year's Monterey Historic Car Race, courtesy of Bill Hopper. Bill need not to apologize for his first effort with the camera, the video was great. For you who missed its viewing, I believe Bill can be convinced to show the tape again at some future time.

Agenda for November 5 meeting:

Its time to elect our officers for the year 1988. Elections will be conducted at the November meeting with plenty of time allowed for additional nominations and vollunteers. At this time the following members have consented to be considered for various postions:

President-Ron Kibbe

Vice-president-Tom Culbertson

Treasurer-Lynn Klope

Secretary-Michael Ling

Events coordinator-Lee Fitch

C.C.T. Herald publisher-Bill Hopper

Notes on meeting sites:

Thus far the Ventura Round Table Pizza has been very satisfactory for meetings relative to its private facility and plentiful parking. However, during the alterate months when the meeting is held at Tony's Restaurant in Carpinteria, complaints were heard of its limited parking and crowded meeting area. I have visited various potential meeting facilities in the Carpinteria area, where it is about half way between Ventura and Santa Barbara in distance. Thus far I have been repeated disappointed in my search. A small community like Carpinteria just do not have a satisfactory meeting site which would accommodate over 15 members. The only facility which appears to be an improvement over Tony's would be a very expensive dinner restaurant with its items from \$8 on up. Another site was baker's square, where its non smokers' tables would not be available to us, yet its smoking section is smaller than where we meet at Tony's. Bob's Big Boy has no movable tables, all it has are fixed back to back booths, makes meaning business discussions impossible. At least for November's meeting I made the decision to stay at Tony's, and entertain further discussions on this matter. *ML*

Triumphest '87: I understand that those members who went to this year's Triumphest came home with assorted awards. Looking forward to hear their war stories at the November meeting.

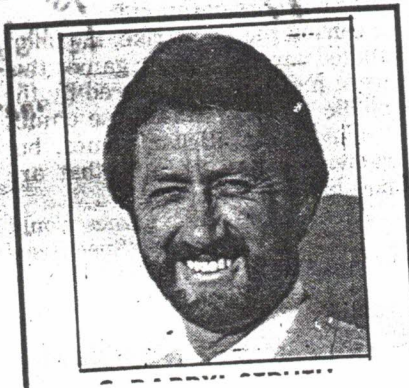

Misc Fires....

Well Triumphest '87 is over and what an event. Everyone registered from our club won a prize, even those who did not take a car. Bob and Lynn Klope Won a silver award for their car and a gold for the photograph they entered for Tom Culbertson. Bill and Kristi Hopper won a gold for their car, a gold for their model and a silver for their funkana run. Wade DosSantos won the 2nd Worst of Show for the second year in a row. Sue Davis won a gold for her photograph and the team of Sue Davis and Lee Fitch won a gold in the Time Speed Distance catagory of the Rally.

There was about 118 cars and 130 registants at this years Triumphest. This was a bit smaller than last year but considering the distance and the location this was a good turn out. Next year Triumphest will be in Santa Clara and will begin on September 29th. Mark out your calendars now and be prepared for a fun time.

A special note: The award plaques from Triumphest will be here intime for our Christmas party so plan on attending so we can congratulate our winners.
