THE COVENTRY CORNER

Hi, Ron Kibbe here. I would like to thank all of you for voting for me in the recent elections. I'm hoping your faith in me won't be misplaced.

I'm going to attempt to make some minor changes (hopefully for the better) in the upcoming year. I am looking forward to a bright and cheerful new year with CENTRAL COAST TRIUMPHS and I hope that you will please bear with our staff as we enter the new year.

Hopefully the changes I'm going to try to make will increase the participation of the members at not only the meetings, but at the club functions as well.

Starting in January 1988, there will be a sign-in roster at all club functions including meetings and rallies. There will be a tally taken and a gift given (to be announced) during the year to the most active members. So I'm encouraging all of you to be more active with the club and attend more of the events. Of course all of you understand that the board of officers will not be eligible for this award or gift because they should be at ALL OF THE FUNCTIONS.

That seems to be all that I have to say this month except that I hope to see all of you at the next meeting. Have a safe and sane New Year and keep motoring.

CENTRAL COAST TRIUMPHS OFFICIALS

PRESIDENT: Ron Kibbe	P.O. Box 1381, Ventura Ca. 93002 #933-2206

SECRETARY: Michael Ling	2541 Hacienda Dr. Santa Barbara Ca. 93105 #687-8565
EVENTS COORDINATOR: Lee Fitch	P.O.Box 566 Santa Barbara Ca. 93102 #569-5397

## NEW MEMBER PROFILE

As a new member of Central Coast Triumphs I've been asked to submit this personal profile, never an easy thing to do but here goes...My name is Stuart Rigler and I recently moved to Santa Barbara with my girlfriend of nearly seven years Jody Garrison. I am originally from Dorset England and Jody hails from Fullerton in Orange County though we have both grown up in the Detroit area. Obviously, we decided to move to escape the brutal cold of Michigan and naturally the idea of actually being able to drive a Triumph year round holds great promise!

Cars have always been a great interest of mine and upon graduating high school found myself in a position to buy my first TR6, something that I'd been lusting after for years. The car was a Sienna '72 which I kept for two years and it was this Triumph that got me involved in The Detroit Triumph Sportscar Club (DTSC).

DTSC is the second oldest Triumph club in the US and was founded in 1959, being preceded by only Triumph Travellers in California in 1958. We generally averaged around 150 members with most members owning at least one car with many actually owning three or more. We had by far more sixes than anything else - thirty six at last count. Spitfires ran a close second with thirty two registered. Mixed in to the rest was at least one model from each series right down to a '53 Vanguard and a '57 Standard 10! DTSC is also the proverbial home of The Vintage Triumph Register (VTR) and is still the base for people such as Randy Mason, Herb Hummer, Bill Smith and Dan Gaitens, names you might recognize from your infrequent VTR newsletters.

In my second year in DTSC I started serving on the club's newsletter staff which published 'Triumph Review' formerly 'The Roadrunner', a twelve to sixteen page monthly sounding board. 1985 saw me voted into the position of Secretary and also to a position on the club's Board of Directors. That same year I took over as Editor of the Review relieving the burned-out soul who had toiled at it previously. I published the Review for two years until I too was worn down, but by that time I had been voted into the President's position which I held during 1986.

Following my Presidency was a year as Chairman which is largely an automatic move for all former club presidents. During my time in DTSC Jody volunteered to take over as membership chairman, a position in which she performed well for one year - 1986. I also ran several rallies and helped out on numerous autocross events. Our club was very Concours oriented and we managed to present at least one show per month for our members. Except in the depths of a Michigan winter we usually held at least three events of some kind every month. In 1984 I was on the organising committee for the North American Triumph Challenge and VTR National Convention, an event that grew out of some joint annual meetings between Irv Korey's Chicago club and DTSC back in the '70s. Jody and I also managed to attend NATC XI in Pennsylvania in 1986, probably the best Triumph event imaginable, what with Charles Runyan's fabulous Roadster Factory blow out that hosted over six hundred people! I have also served as a judge for TR6s and Stags at NATC and have held the job of Concours chairman for the past few years at Battle of the Brits in Detroit, the largest British car gathering in the area.

(CONTINUED ON REVERSE SIDE)

As far as cars that I have owned are concerned, I've already mentioned the machine that got the ball rolling: my '72 TR6. This was sold and a '73 Stag with a bad motor made itself available the same weekend, which I promptly purchased with the intention of fixing and running. To make a long story short it has become a long running restoration and is presently in storage in Goleta awaiting the straightening of the body which has been stripped to the last nut and bolt. The paint was completely removed top and bottom and the car is now clothed in a coat of zinc-chromate primer.

In the meantime I've owned (in no particular order) a '69 Spitfire, a '67 TR4A IRS, a TR7, a full race Mk.I Capri, that I built to roadrace, a very hot 1275 Mk. IV '79 Mini, and last of all another '73 Stag that I drove all summer and sold before I left. We also sold Jody's '73 TR6 that was purchased with at least 300,000 miles and sold with far more as it was her sole transport for two years. It performed admirably until the end when it started to get a bit tired.

Two years ago I imported a Daimler DS420 Limousine from England and this still resides in Michigan. It seems that I started a ball rolling in our family as my father now owns a Series II E-Type and a Healey Sprite, my mother runs a Series I XJ6, my sister had a '76 Spit and my brother presently owns a beautiful '74 TVR 2500M (for sale) and three Minis; two woodies and a Monte Carlo replica with a turbo, all right-hand-drive!

At the moment I might be on the look-out for a nice '70-'72 TR6 so if you find one - give us a shout! We're glad to be back in another club and hope we have half as much fun as we had in the last one!

## PAST EVENTS

FEBRUARY 19 1984 This date was of particular historical interest as it was "THE FIRST MEETING OF THE CENTRAL COAST TRIUMPHS" Five Triumph enthusiasts gathered at 2:00pm on Goleta Beach for this momentous occasion. After only 4-years our club now can boast a membership of 50. Our thanks to Lee Fitch for having organized that first meeting.

DECEMBER 19 1987 This year's Christmas party evolved to become a very successful Christmas picnic at Camp Comfort in Ojai. Six Triumphs and 17 participants made this a day to remember. The POT LUCK lunch was overwhelming and the gift exchange was a lot of laughs. The same set of Stag center hubcaps seems to be popping-up in Christmas wrap year after year. Who will be the lucky recipient at the 1988 party?

JANUARY 2 1988 Four members of our club drove down to the L.A. Auto Show. The general consensus was that the American Auto Manufacturers had an impressive display of sheetmetal and gadgetry for '88. The car that drew the most interest from our peers was a 1923 Triumph Boattail that claimed to be the only one of its kind in the world.

JANUARY 7 1988 The first monthly Central Coast Triumphs meeting of the year was held at Rusty's Pizza on Upper State St. in Santa Barbara. Nineteen members including 3 new recruits Rocky Taylor, Stuart Rigler, and his girlfriend Jody Garrison. Stuart's personal profile is featured in this newsletter. Ron Kibbe has started to pass around an attendance roster at each of the club meetings with the intention of issuing a prize for the best attendance record each year. Club officials are excluded from this contest as they should always be present at meetings and club sponsored events. Ron displayed the first of the new style club hats that will be available for the meager sum of \$5.00. CCTC License plate frames are in stock and can be purchased from Tom Culbertson for only \$9.00. Tom has also done an exceptional job of putting together the new newsletter header entitled "THE HERALD".

Ron suggested that we plan a Hearst Castle Tour this year as a club event. These suggestions and more are required to keep the enthusiasm and club interest. We welcome your ideas.

Paul Senior suggested that we compile a list of Triumph related clubs for anyone that would be interested.

It has been brought to our attention that the Battery Store 2126 E. Main St. Ventura, Ca. 656-0155 will give members a 10% discount simply by mentioning our CCTC affiliation.

Lynn Klope, our treasurer, reported our club's account at a healthy \$552.00.

### UPCOMING EVENTS

- JANUARY 17 1988 (THIS SUNDAY) The Santa Barbara Sports Club is sponsoring a AUTO SLALOM at the Santa Barbara City College lower parking lot. Tech and registration will open from 9:00am-1:00pm. The first car runs at 10:00am. Entry is \$15.00. This event is a speed event where the cars are timed running a tight course around plastic cones. Much the same as the FUNKANA at the recent Triumphest, in Las Vegas. Four club members have already expressed their desire to compete in this event, myself included. They permit you to have 3-timed runs followed by FUN-RUNS, with a co-pilot if you wish, at \$1.00/run. Bob Klope and I will be recording the slalom on VHS cassette for a showing at our February monthly meeting. I should also point out that the Santa Barbara MG Club has canceled it's event, scheduled on this day, in order to attend this competition. For further information call Bill Hopper at 687-9851.  
"DON'T MISS THIS OPPORTUNITY TO DRIVE YOUR TRIUMPH AS IT WAS DESIGNED TO BE DRIVEN"
- FEBRUARY 4 1988 (THURSDAY) February monthly meeting to be held at the Round Table Pizza 4255 East Main St. Ventura at 7:00pm. Members from the Santa Barbara area can join the caravan & car pool that will depart the Santa Barbara Sears upper parking lot at 6:15pm. As mentioned above we hope to be able to show the SLALOM VIDEO. There's nothing like dinner and a show.
- FEBRUARY 13 1988 (SATURDAY) Lee has made arrangements for another classic WINE TOUR. These tours are gaining in popularity each year. 2-wineries are on the agenda the Gainey winery and the Rancho Sisquoc winery. (see details on the inclosed map). We have reservations for 30-people at the Mustard Seed restaurant in Solvang for lunch. Southern participants can gather at Charley Brown's Restaurant 760 South Seaward Ave. in Ventura at 9:00am. Everyone will then meet at the Santa Barbara Medical Clinic 215 Pesetas Lane in Santa Barbara at 10:00am.
- APRIL 23 1988 (SATURDAY) St. Vincents School Auto show is rumored to be back at St. Vincents this year rather than at City College. We typically have a good showing of Triumphs at this show.
- AUGUST 11-14 1988 Vintage Triumph Register National Convention.  
This will be held in Dallas Texas (see flyer for details).
- SEPTEMBER 29 - OCTOBER 2 1988 Triumphest 88 in Santa Clara California.  
We made such a fuss of last years Triumphest that I can't imagine anyone missing this years event. (see flyer for details)
