APRIL MEETING MINUTES:

Aproprately, the meeting was on the first. By about 8pm enough members had appeared to justify calling the group to order. Present were the President and her husband, Paul Senior, Ed Lang, Michael Ling, Steve Walker, and finally the Ventura contingent: Ron Kibbe, Maria Caprio, Tom Culbertson, and Bob and Lynn Klope.

\$332.12 in the club treasury according to Michael. That includes the dues from three new members: Tom C. and the Klopes of Ventura and Craig Sperry who rejoins us.

Ron KIBbe has been working diligently for several months now on club regalia - so we can go to events and be recognised. He reprinted that he is currently making arrangements for t-shirts, caps, windbreakers, and anything else the membership desires with the club logo. Ron deserves much thanks fro his hard work.

At this point, Ed decided he neded a refill at the salad bar. A few indelicate comments were made about the characteristics of certain TR owners (eg: Spitfire drivers being somewhat indifferent to the breed, TR6'ers regarding themselves as better than the rest, and we won't repeat what was said about Stag owners). The meeting broke down at this point in a general rush for more food.

Resuming her place at the head of the table (so to speak) President Lee opened with an agenda of upcoming events and inviting comments - see schedule for details. Final item was a new meeting place. Conditions at Rusty's are becoming increasingly uncomfortable. Carrows of Carpenteria is willing to give us a semi-private room, they are visible and very accesible from the freeway, and most important more accesible to more of the membership since an increasing number of members sre south of the Rincon. So the next meeting is officially at Carrows on the north side of Carpenteria at 7PM (1/2 hour earlier then usual).
