CENTRAL COAST TRIUMPHS EVENTS

 = Club sponsored events for point accumulation

MAY 21 (this Saturday) King Cobra Shelby American Cobra Club trials at the Willow Springs International Raceway. Several club members have expressed an interest in observing this display of unbridled horsepower. For details I have included a Willow Springs schedule. If you wish to join the caravan from Ventura call Bob Peterson.

 May 22 (this Sunday) The Rose & Crown drive. Lee Fitch will guide our club members and guests on a scenic drive to the Rose & Crown Restaurant in San Luis Obispo. The route that she plans to take will be exclusively back roads. The trip will take approximately 3-hours each way. There will be few if any gas stations, on route, and it is suggested that participants fuel up and top-off all coolant levels. Plan to spend between \$6-\$12/person for lunch. The Ventura club members will converge at the Carrows Restaurant at the intersection of Seaward and Harbor blvd. in Ventura.*The Santa Barbara departure point will be the Santa Barbara Medical Clinic 215 Pesetas Lane, Santa Barbara.**

PREVIOUS EVENTS

APRIL 23 St Vincent's Sports and Race Car show ran smoothly despite the ever threatening storm clouds. Ed Lang had his Stag on display and spent all morning staring skyward. Lee and Pat setup their display of literature just below an overhanging patio and braved the weather.

APRIL 24 Camarillo High School Car Show was also an apparent success.

APRIL 24 The Cal Club Solo 2 Slalom in L.A. was an eye opening experience for both Tom German and myself. The competition was far stronger than any encountered in recent Santa Barbara events. We both vowed to be better prepared for future SOLO 2 slaloms.

MAY 5 23 members and guests attended the monthly meeting. Our treasury was reported to be \$658.00. Deryle won the \$10.00 Pep Boys drawing. Keith Miller (owner of a TR-8) joined our club and his address is 5067 Rocosco Way, Santa Barbara Ca. 93111 (805) 967-8903. Finally a fellow TR-8 owner in our ranks. Renee Peterson was gracious enough to take down the minutes of the meeting handing me 6-pages of notes at the nights end. Michael Ling was vacationing at the time.

MAY 15 The final slalom of the season for the Santa Barbara Sports Car Club. 13 members attended this slalom, and of those 4 were participating in the event. Bob Peterson raced his MGB, Tom German entered his TR-4, Mark Eaton competed with his TR-6 and I got into the thick of it with my TR-8. Efforts are being made to recruit into the club 2 other competitors driving a TR-7 and a Spitfire. If the club members entered in these races wish to have the times posted in our newsletter notify me and I will print the results of the last 5-events otherwise I will assume that they are not to be made public.

MISC

Lee Fitch has donated a 12 x 12 canopy to be used as a gathering point at future club gatherings. Suggestions on a club banner to be suspended from this canopy are welcome.
