NOVEMBER, 1990

ISSUE 11

So you have been a member of the club for quite some time and you have thought about what it would be like to help run the ship. Next month is your big chance to volunteer for a board position. CCT's elections will be held at the regular monthly meeting and we are looking for those of you out there who have been wanting to add your name. Most all positions are up for grabs so if you don't feel like taking the responsibilities of President right away, you can sign up for another less active position. Your presence at the meeting is very important as this is your club and you are the one who can help keep it active. Mark your calendars for Thursday December 6th and come early for dinner before the meeting starts.

TR TALK

by Tom Culbertson

Well, the end of the year is drawing near and that means the club elections are close. We will be holding these elections at the December 6th meeting. Everything is set for this major event except for one minor detail: NO ONE is running for office. I hope that those of you that have never held a club office and who are active or want to be more active in the club will run for the board positions. I would really like to see some new faces on the board and see what good changes can be made.

A brief description of the positions may be in order. The president runs the meetings and serves as the contact between clubs. The vice president, in addition to filling in when the president is absent, runs the board meetings. The treasurer is in charge of the club finances. The secretary records the minutes of the meetings. The membership chairman is in charge of recruiting new memberships.

We also have the voluntary positions of newsletter editor and historian. The newsletter editor puts together this monthly newsletter and the historian is in charge of keeping a history of the club for future needs.

Once again, I hope you will all do your part and run for a club office. I also hope you will show up for the voting. Remember December 6th. I'll be there!

November Meeting Notes

By: Bob Klope

The November meeting started off almost on time as Tom was heard mumbling something about getting home early. Not too many people made it to the meeting this time. The restaurant was all ready for a crowd like last month with a color keyed menu system. Must have been that the first Thursday of the month was also the first day of the month as attendance was very low. Introductions were made and we had a few of the T.R.S.C. folks visiting. The Treasurer reported about \$1,300.00 in the club fund.

Upcoming events discussed the Lake of the Woods run with the T.R.S.C. to be held that coming weekend. Details were given to those attending. The November brunch is to be at Wes Ketcham's house in Camarillo on the 11th. \$5.00 will get you a full blown breakfast. Next month's meeting will cover club officer elections. Tom commented that all positions are open for next year. The December brunch was planned for the Maya Restaurant in Santa Paula on the 9th. The Annual Christmas Party will be held at Wes Ketcham's house on the 15th. It was agreed that those attending bring a \$10.00 gift for a small child as we will donate these gifts to a charity. Members volunteered to check into a local charity. January's event was tentatively scheduled for a tech session. More details on that later.

Past events included a discussion of Triumphest 1990. Most everyone at the meeting had won an award of some kind. It was decided that small plaques be made for our awards that have your name and car on them to make the awards more personal. A sample will be at the next meeting if you are interested. We varied off into a discussion on how we were doing with 1992. It was agreed that a list be created of things we did and did not like about this and previous year's Triumphests so we can remember when our time comes.

An open forum was held with various topics on the agenda. First off was a decision to raise yearly dues to \$20.00 from \$15.00. This will take effect on January 1, 1991. After that date, anyone renewing their dues will pay the new amount. A date was set for the Wine Tour in February so that all attending clubs can advertise in their newsletter. The date will be Saturday, February 9, 1991. Jeff Truttman brought up the topic of legislation in Sacramento which is geared towards antique and classic cars. There are bills in the legislature which severely effect our hobby and we should be aware of them.

The meeting was adjourned after the infamous raffle prize was given to Bob Klope. The prize was a bottle of brake fluid and a can of WD-40.

November is upon us again. It's time to get ready for the holiday season. On the east coast, they have been busy jacking their cars off the ground and covering them up for the winter. But out west we are putting on the tops and making sure the heaters are functioning. A sure sign of winter was evident at the start of the run to Lake of the Woods. It has been a long time since I'd seen the Samaniego's TR3 with a top on it. I thought the top was only for shows Jack? Speaking of the Lake of the Woods run, we'd like to thank the T.R.S.C. for inviting us on their overnight outing. Seems no one from our club stayed the night though. I hope this doesn't keep them from inviting us again.

Winter months are usually non-driving months for the club. December's event is the Christmas party at Wes Ketcham's house. Remember to bring a gift for a young child. January will be another tech session with Tommy German. Plan to attend this event as we will be putting cars on his lift for inspections again. At the December meeting we will be holding club elections. I have put together a list of the positions and their duties elsewhere in this issue. Think about running for a spot on the board. It doesn't take a great amount of work and you can help the club grow for the future. We will install the new officers at the Christmas party.

Our Sunday brunches have been a popular event the past year. December's brunch will be at the Maya Restaurant in Santa Paula on the 9th. Plan to meet there at 10:00am. January's site is yet to be decided. If you know of a good place that has room for about thirty people and ample parking, bring it up at the next meeting.

I am looking for someone to take over the newsletter editor position. I will be going back to school in January and will not be able to handle it after the December issue. I have plenty of stuff to give you and can help you get on your way. If someone is interested you can contact me at 653-7233. It would be a good idea to help on the December issue so you can get a warm up issue.

I hope everyone has a happy holiday season and I will see you at the December meeting on the 6th.

HAPPY MOTORING!

January Tech Session

Mark your calendars for Saturday January 19th for another Tech Session with Tommy German at The Auto Shoppe. Last year we put each persons Triumph on the lube rack and had Master Mechanic German go over potential hazards, possible modifications and routine maintenance tips for each car. This is an excellent time to have the underside of your car checked out before the Triumph year gets into swing again. You won't believe the view you get while standing below your car dodging the oil drips.
