Central Coast Triumphs is a non-profit organization dedicated to the preservation and restoration of the Triumph automobile marque serving the Santa Barbara, Ventura, San Luis Obispo and now the Los Angeles counties. The club was established in 1983 and is a chapter of the Vintage Triumph Register. Members enjoy a variety of meetings, monthly activities and regalia. Dues are \$20.00 per year for those owning Triumphs and Associate Memberships are available for those not owning Triumphs, but are interested in the club, at \$12.00 per year. It is recommended that anyone interested in joining attend at least one meeting and/or activity. Meetings are held on the first Tuesday of every month at 7:00 p.m. These meetings are used for planning upcoming activities and as a forum to members for input into club organization and activities.

PRESIDENTS LETTER

Welcome to this month's 'Clear Hooter'!! Did we have a turnout or what at the last meeting. The new meeting place is great! Not only real British food and drink, but Stan Shirley walked away with a bottle of champagne for the best car in the parking lot! Dust off that Triumph and bring it down to the next meeting, maybe you'll walk out with one too! The employees save parking spots in front of the place so when you get there you will have a front row spot.

We have some exciting events on the calendar coming up. Check out the Calendar of Events in this issue and get involved. We will be having an overnigher to one of the beaches north of Santa Barbara in September. Ron Kibbe will be checking out the area for us. Plan to join us for the night or come up for a Saturday or Sunday. We will have a great time, as usual. Don't forget the Sunday brunches either.

At the last meeting I gave out the awards for the Ventura All British Car Meet. We finally received them from the trophy shop. While I was there, I inquired about having some name badges made to wear at meetings and events. They will be made from a metal badge similar to a dash plaque which has your name and a copy of our logo screened onto it. This metal badge will be attached to a plastic plate with a pin on the back. All for the small cost of \$5.00 each. They are very nice and come in our club colors. I have a list started of those interested. I will make a run to the trophy shop and have some made up. Check them out at the next meeting. If you like it, I can get one for you too.

See you at the Slalom on the 20th of this month. Many members will be running. Myself included! You don't need to run your car though, bring a picnic lunch and something to sit on and enjoy a day at the races.

Remember that the mailing labels show your membership expiration date. Check your label and if you need to renew send your \$20.00 check to the mailing address. If you have already done so, but your label does not reflect it, let me know and I can update it.

HAPPY MOTORING !

JULY MEETING.

We tried out a new (to us) restaurant for our July meeting. It was the Mc Ginty's Sport Restaurant , 1795 S. Victoria Ventura. And it was a very welcome change , and we would like to thank Darryl for locating and arranging the evening. We have a back room to ourselves which is far easier to conduct a business meeting, it even has dart boards, and also a trophy case for our use. Darryl has it filled with his stuff until other display items can be found. When I arrived there were already 6 Triumphs parked in front, with more to follow. This made for an impressive welcome to all arriving at the restaurant. Our meetings are held on the first Tuesday of the month, if you want TIMELY info on our brunches etc either come to our meeting or give a board member a call.

A total of 24 people showed up for the meeting including a new member whose name I did not get as I went into shock when he said he did not have a Triumph, ONLY a Healey!!!

Our illustrious Pres. whistled us into some semblance of quiet, (he forgot his gavel again, I think that Lynn will have to tie it to his belt just like his mother use to do with his mittens). We had a report on the run to Buelton, and that we were very pleased with what we saw at the hotel. As Triumphest is Oct 8-9-10-11, Sally has setting up a Barbeque for 55 people on Thurs, evening, probably at the Gayney Winerey. But more on that as it develops.

The Treasure Lady states that we have \$2400 in the Triumphest account, but we still need more. After the Moss Motors Triumph Marque Day, August 10th, she and Jack will be hosting a barbeque at their house after 5 pm. for \$5 a head, profit is to go into the Triumphest fund. Will you please bring a salad and/or dessert. Even if you do not go to the Triumph day, why not come on out to Jack and Sally's place and eat to help the club.

I know that this is a little late but I just got the news. There will be a slalom practice at Pt. Mugu, on Saturday July 20th, registration to start at 9.30. They will have an 8/10ths mile course set up with cones on the main runway, so that a minor oops will only mean replacing cones and not fenders. Bring your car and give it a try. Also bring chairs and a picnic lunch as no food is available there.

Our club Historian Harvey North has an album in which he hopes to have a record of our club and our doings, so that some time in the future we can look back at the good time that we had when we were young. Also, to have on display at British car meets at our club stand in order to let prospective new members know just what we get up to in our spare time.

Unfortunately there is absolutely nothing in it. He needs STUFF. Do you have any photographs of past runs, meets, tours, triumphests, cars (preferably Triumphs) that you either donate or give on a permanent loan basis???. If so will you please send them to Harvey North 35 Dombey Circle Thousand Oaks Ca. 9160. Please include any information regarding the pictures that you have so that he can label them including the donors name in the album.

An early warning of the September brunch/run. It is to be a one or a two day event depending on you.

On Saturday and Sunday, September 14-15 we will be holding a beach party at a beach somewhere in the Gaviota area, with camping on the beach overnight. This means you can come for only Saturday OR Sunday, or be real adventurous and sleep on the beach to the music of the surf and Darryl's snoring.

Ron Kibbe is checking out an area and we will have the location, meeting place and time etc. in the next Clear Hooter.

Bring your kites!!!!!!!
