A drive somewhere more information later.

**FEBRUARY

Monthly Meeting at Round Table Pizza, 4255 E. Main St., Ventura at 7:00 P.M.

**FEBRUARY 12

Annual Winery Tour. This year it will be an overnight trip. More details forthcoming.

** CCT CLUB EVENT, PLEASE ATTEND

PRESIDENTS MESSAGE

The November issue hits your doorstep and now your anxious to get some insight into the world of British cars only to see my scribblings at the front. Well, you'll just have to bear with me through these next two newsletters.

The last meeting was an important one and I'd like to thank those who attended. It's always a chore to fill the club officer positions and a good attendance makes it easier. It looks like we have a great group to take the club into 1994. So those of you who didn't attend, because you didn't want to be a club officer, can come out to the December meeting.

The Teddy Bear Run last weekend was a great success. Many thanks to Darryl Struth and Ron Kibbe for their work in putting it on. I'm sure those kids will get a big surprise come Christmas time.

More events are coming up and I'd like to draw your attention to the Santa Paula Christmas Parade which is on the 27th of this month. I know it's short notice but we did this several years ago and won the car club award. I'm sure we can do it again. The parade only lasts for a few blocks and it is over in ten minutes. Come on out and show your club spirit.

I've heard that the DMV has once again belittled the automotive community by announcing the withdrawal of all yellow on black California license plates. These are the ones issued from 1962 until they changed to yellow on blue in the early seventies. Come to find out they want the numbering sequence to put on vanity plates for University of California graduates. I find this disgusting! I own a 1965 Mustang with the original plates. I don't want to give them up. It adds value to the

car to have the original issue plates. I suggest to club members to call or better yet write to the DMV and let them know it is a stupid idea. The yellow on black plates are now coming up to the 30 year mark which would allow owners of 1960's cars to retrofit them much the same as the black on yellow 1956 plates you have seen on classic cars recently. Those of you with TR4's thru early TR6's could put a set of period correct plates on your cars.

So much for my soap box speeches, I'll see you at the December meeting!

HAPPY MOTORING !

FROM THE EDITOR

Thank you Steve.

If you're reading this you're probably wondering what my first sentence is all about. Well it has everything to do with Steve Drury who will be the Newsletter Editor starting in January. Steve has volunteered to take over this position and allow me to take a break. Let's all help Steve by writing and supplying articles for this newsletter to make his job easier.

Since we are getting a new editor, the club mailing address will also be changing. So be prepared to change your mailing address for Central Coast Triumphs. I'll give the new address in the December newsletter.

-Tom-

NOVEMBER 3 MEETING MINUTES

The November monthly meeting was called to order by President Bob Klope at 7:15 P.M. at round Table Pizza. Our Treasure Lady Sally Samaniego was not present as she was assisting victims of the fire in Malibu. However she did contact Bob to let him know the club has \$4,813 in the treasury. Bob says it is time to purchase some regalia.

With that out of the way the next order of business was past events and business. Members C. Darryl Struth, Claudia Diebolt, Jim Elliot, and Jon Korbin drove to Triumphest in Sacramento this year. It was reported as a good event with the group photo in front of the state capital building being the highlight. It was felt by those attending this years event that last years Triumphest in Solvang was the best ever and will be very hard to beat for many years to come. I can't help but agree having been last years chairman. In other past events Ron Kibbe participated in the Point Mugu Slaloms. He reported that it was a day long event with cars still running the course as night fell. It was also a long course with several cars on it at any one time. Bob Klope reported on the L.A. British Wheels and Wings show at Santa Monica Airport. There were over 300 cars in attendance with many having to park outside of the area of the actual show. Cars were parked in long rows in the order of how they entered the gate so there was no seperation by marque. However it was a nice change of pace and we were able to see many fine cars and some spectacular aircraft.

Future events and business was next on the list. On November 7 is our Fourth Annual Teddy Bear Run. By the time you read this it will be over so I hope you attended the event which brings some holiday cheer to the developmentally disabled children of Douglas Penfield School. Bob Klope reminded us that the Starlight warm-up rallye is on November 13 and it only lasts

6 hours. He and Tom Crawford are teaming together for this rally. Call Bob at (805)653-7233 for more info. On November 21 is the Run for a Life run/fun run/walk which benefits those needing bone marrow transplants. A flyer was supposed to be in last months newsletter on this but it failed to get printed. Contact Ron Kibbe at (805)933-2206 for more information. Our club holiday party will be held on December 11. Ron Kibbe is working on a location for this event. In January there will be a drive that Ron Kibbe (his name sure comes up a lot, we should elect him president) is working on. On February 12 is the annual wine tour. Bob Klope is working on the overnight lodging details.

With all these things out of the way it was time to hold the club elections and fill the voluntary positions. Steve Drury offered to become the editor but only if others would write articles on club events and such. Needless to say he will be our new Newsletter Editor starting in January. The first elected position to be voted on was that of President. After a great deal of silence Ron Kibbe offered himself for the position. He was promptly voted in. The Vice President position took some time to get any candidates but finally Herb Freeman was nominated by his wife. He was voted in too. Don Greene was nominated to be Treasurer. After trying to decide whether or not to run for the position he was voted in. Claudia Diebolt was nominated for Secretary and voted in. C. Darryl Struth was nominated for Membership Chairman and voted in. Open positions are Historian and Events Coordinator, a new position. These positions will be filled at the December meeting.

With that the meeting was pretty much over. Contratulations to all the new board members and best wishes on you new duties!

Dear Darryl:

On behalf of the staff and students of the Douglas Penfield School, I would like to express my thanks for the donation of the "absolutely adorable" teddy bears.

I enjoyed seeing all the cars and know you worked very hard putting together the ride for the Central Coast Triumph Car Club, and asking for donations of teddy bears; it sure was a great success! We look forward to having you present the teddy bears at the Footprinters luncheon in December and know the students will enjoy receiving the bears.

Thanks again for all you do for our students - - it is greatly appreciated.

Respectfully,

Wayne Saddler
Principal

Nov. 14, 1993

I would like to thank each and every one of you for your participation in the 4th. Annual Teddy Bear Run. This year was the best yet as we collected 52 bears, from 20 cars, for the 52 current students (there may be more by Christmas). Wayne Saddler, the principal, sent a very nice thank you letter and for next year promises us coffee and the club will provide donuts and bagels. We will also line up 2 by 2 (NASCAR style) for picture taking.

Many thanks to Ron Kibbee for writing another fine driving tour, taking many of us who have lived in the area all our lives to places we've never been before.

Thank you, also, to the members and friends who brought bears but were unable to run the rally and to the family who thought it was a 5K run but went on the rally in their Volvo anyway.
