FROM THE MEMBERSHIP CHAIRMAN

Thanks to all you good people who have been sending in your cards and letters...and checks for 1995 dues. I have been diligently updating my membership roster to make sure you are shown as ACTIVE members. So far, only about half the members on our mailing list have sent in dues for 1995. THOSE OF YOU WHO ARE NOT ON MY ACTIVE LIST WILL NOTICE THAT YOUR NAME IS HILITED ON THE COVER OF THIS NEWSLETTER. THIS MEANS THAT THIS WILL BE THE LAST NEWSLETTER WE CAN SEND YOU UNLESS YOU SEND IN YOUR DUES OR AT LEAST LET ME KNOW THAT YOU ARE GOING TO BE DOING SO. If you have paid but your name is still hilited, please write or call me and let me know. Hey, I make mistakes, too!! Rest assured I will be contacting those of you who are not being carried as active members -- I want to afford you every opportunity to stay active -- we want and need you in the club. You are important to us.

Thanks!

MESSAGE FROM THE PRESIDENT

I knew it was too good to be true! The February general meeting was well over 45 people, and the March general meeting was well under 23 people. At least our Annual Wine Tour was a success. Great turn-out, with members from the T.R.S.C., S.C.T.O.A., and Morgan + 4 Club in attendance.

Our next event is a T.R.S.C. Fund Raiser for Triumphest '96. Let's try and attend their events boys and girls, because they attended a lot of ours when we were getting ready for Triumphest '92. See the calendar for information.

The Petersen Museum on the 26th of March should be a different event for us. Let's have a good turn-out - rain or shine! Be sure and check the calendar for this event, too.

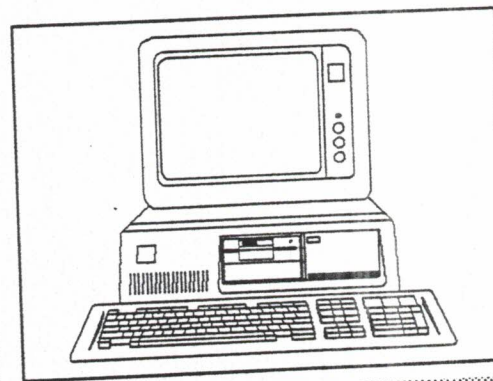

Our board meetings have now been officially changed to the 3rd Wednesday of the month with a 7:00 PM business discussions working into assisting with the printing and assembling of the "Clear Hooter."

"Man never made any material as resilient as the human spirit
— Bern Williams

Keep 'em running.

MARCH SECRETARY REPORT

MEETING STARTED AT 7:10 P.M. WITH APPROXIMATELY 21 MEMBERS IN ATTENDANCE.

INTRODUCTION OF THE BOARD MEMBERS WAS MINIMAL DUE TO THE FACT THAT SEVERAL WERE ABSENT BECAUSE OF PRIOR OBLIGATIONS.

DON GREENE GAVE THE TREASURERS REPORT OF WORKING FUNDS.

TIM MIKEL, AD MANAGER GAVE AN UPDATE OF OUR CURRENT AD STATUS WITH PREVIOUS AND NEW ADVERTISERS. OPEN FOR SUGGESTIONS.

SUSAN RATY HAS REQUESTED THAT THE BOARD MEETING BE MOVED TO THE 3RD WEDNESDAY OF EVERY MONTH IN ORDER TO HELP HER GET THE NEWSLETTER OUT WITHOUT RUSHING.

THE ROGERS THANKED SUSAN AND DON FOR A GOOD JOB DONE ON THE ORGANIZATION OF THE WINE TOUR. THE TOUR WAS ENJOYED BY EVERYONE. THIS YEARS TURNOUT WAS THE BEST YET; 40 CARS AND 70 PEOPLE.

BOB KLOPE SPOKE BRIEFLY ABOUT A RALLY SCHOOL TO HAVE BEEN HELD SATURDAY, MARCH 4. BOB ALSO GAVE A RUNDOWN OF THE BENEFITS OF ATTENDING SUCH A SCHOOL TO FAMILARIZE YOURSELF WITH RALLIES IN GENERAL.

JOHN KORBIN INFORMED US ON TRSC'S TECH SESSION TO BE HELD IN RESEDA. HE NOTED THAT SHOP WAS SMALL AND PLEASE RSVP TO HIM.

THE CONEJO VALLEY RUN THIS YEAR IS BEING THEMED AS "SURFING SAFARI". PLANS ARE STILL IN WORK; BUT SEVERAL NEW IDEAS WILL BE INTRODUCED.

CCT'S ANNUAL "ALL BRITISH CAR SHOW" IN VENTURA IS SET FOR MAY 21. THIS EVENT IS ALWAYS VERY POPULAR, AND A "MUST ATTEND." SEE DON GREENE OR DARRYL STRUTH FOR DETAILS.

LITERATURE ON THE ANNUAL MOSS FESTIVAL WAS MADE AVAILABLE; THE EVENT WILL BE HELD AT THE "FLAG IS UP FARMS" IN THE SANTA YNEZ VALLEY. PERSONAL COMMENT: THIS IS ONE OF THE BEST EVENTS I'VE ATTENDED AS A CLUB MEMBER.

MEETING WAS ADJOUNED AT 7:45 P.M.

TOM AND I WOULD LIKE TO THANK ALL THOSE WHO ORGANIZED THE WINE TOUR. WE HAD A GREAT TIME. THIS YEARS ADDED "CHAMPAGNE TOUR" WAS A SPECIAL TREAT. NEXT YEAR WE WILL BE TOURING IN OUR NEWLY ACQUIRED 1963 TR4; THAT TOM JUST DRAGGED HOME FROM ARIZONA ON JACK AND SALLY'S TRAILER!

What does it take to
beat the Triumph TR-3?

 The Triumph TR-3 is the most popular sports car in America. It practically started the sports car boom. A hard car to beat. But wait till you see Triumph's new one, the TR-4. It has all the power of its famous companion. But it's even more exciting to drive and easier to handle. The torque (engineer-talk for the thrust developed at any given speed) is high at all speeds. So, unlike many other sports cars, the TR-4 does equally well at a modest 50 or a thundering 100. The track is wider, so the TR-4 corners flat as a pancake. The TR-4 is easier to control, too. The new steering system is as effortless as power steering, but far more responsive. And shifting in motion, even to 1st, presents no problems. The TR-4 has synchromesh on all forward gears. P.S. The windows roll up. The top locks in place to rain-proof the interior. And the price is a mere \$2849.* ■ The only real way to find out about the TR-4 is to get behind the wheel and hit the road. There are Triumph dealers in every state of the union — including Hawaii and Alaska. One lives near you. Drop in and ask him for a test drive. Discover for yourself how much more fun driving can be.

SNEAK PREVIEW OF UPCOMING EVENTS

Third Annual Conejo Valley Run

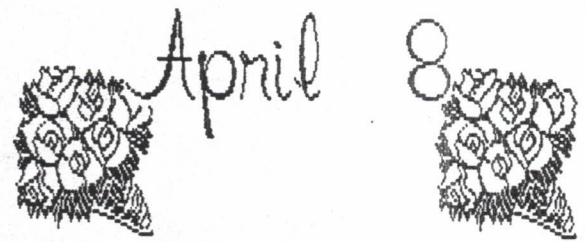

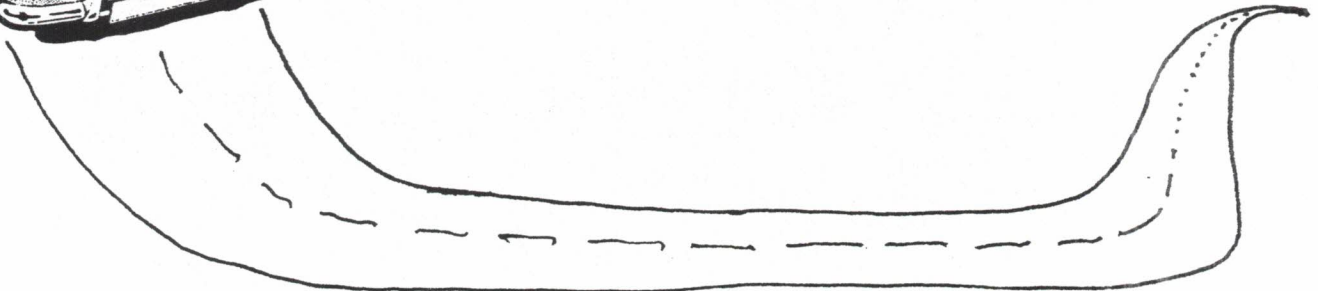

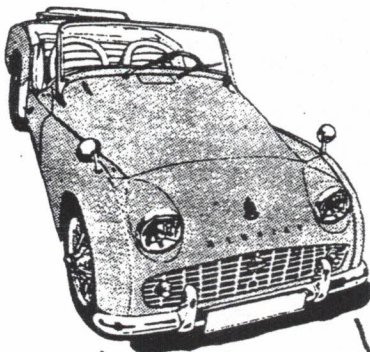

Saturday April 29th 1995

The Conejo Valley rabbit will run again this year on April 29th. This years event will be a challenging adventure with a social theme based on an entertainment icon from the 60's. The focus will be a beach party for those of you who wish to participate in the now-traditional hat contest. We plan to have the rally start at a renowned Westlake establishment so that those who want Brunch/breakfast can have something prior to the 1200 Noon start.

The event itself will be a fun rally with timing and simple navigation using Tulip Arrows as before. We plan to use less questions than in the past, but still to cover some new and many well-known roads covering about 90 miles in the scenic Santa Monica Mountains. We are planning a picnic for the finish. More details next month. We encourage CCT members, friends and other Brit car club enthusiasts to join us for a fun day.

TRSC TECH CLINIC - SATURDAY MAR 18, 1995

As a fund raiser for Triumphest '96 TRSC is holding an inspection and tech clinic at 9am at Mark's Automotive at 7349 Canby Avenue in Reseda CA (818-345-9511). We will also have a BBQ for the enjoyment of all who attend the clinic (small charge).

A charge of \$10.00 will be made for all cars that are inspected - a labor rate (yet to be determined) will be charged for all work above and beyond the inspection.

If you have some work that you would like to get done, there will be a number of qualified people to perform the work. In this case all parts required will have to be on hand, meaning you will have to come with the parts you need. Mark's Automotive is a full service shop and you can call Mark so that the parts you need will be there or use your usual parts source.

From the Ventura Freeway (101) exit at Reseda Blvd. and turn north (right from westbound lanes or left from eastbound lanes), and stay on Reseda Blvd. passing Sherman Way, at Valerio, the next signal north of Sherman Way, turn right and then right into the alley and Mark's Automotive is the second shop in the alley.

Dear Fellow British Car Enthusiast,

Allow me to introduce myself, I am Jim Messineo, Editor of the OILSPOTS Newsletter, United British Sports Car Club, of Sacramento. I have an idea which I would like to "talk" to you about . . .

Being a member of the Vintage Triumph Register, I recently received its quarterly publication, and, as usual, ripped into its pages devouring it subjects as fast as possible. Towards the end of the magazine there was a "Member Travel Assistance Program" questionnaire which peaked my interest. Simply explained, VTR members volunteer to assist other members who have the unfortunate experience of breaking down when traveling outside of their home turf. This got me thinking, since I love to travel the open road far from "home", I must admit there is always that subliminal thought what happens if I break down "here"? Who do I know? Where could I take my car to be fixed? Wouldn't it be nice to "know" someone. Someone who I could call and get help, be it a shoulder to cry on, a cup of coffee, or someone who could get me going so I could either get home, get to a motel, or (in a worse case situation) the name of a good shop so I could get home.

I feel that the California Clubs could accomplish the same thing that the VTR is doing, but on a more "local" scale. What I am requesting from you is HELP. I am enclosing a form that I would like you to reproduce and distribute to all your members. The questionnaire simply asks would "you" be willing to help a distressed enthusiast and in what way. The member then answers as to what they are willing and able to do. Everything from putting them up (if needed) for the night, a drive and/or tow to a motel, tools available, or even to assist them with the repair. Once you get the information back from your members, return it to me and I will compile it into booklet form then return to you for your members. Having something like this in one's glovebox adds a margin of safety to any members trip.

I realize getting this done requires work, but once accomplished, the rewards will make it all worth while. You can get this out to your members during your February meeting, and place the questionnaire in your newsletters. Ask them to mail it back to you ASAP. I would love to get the completed booklet back to you by April. If you know of a Club that I haven't contacted, include them - the more the merrier. I don't expect a "yellow pages" size book - but even a list of a few names gives a ray of hope to a dark situation. For your information, I am sending this to the following

Clubs: Chico Area British Car Club in Paradise, United British Sports Cars in Sacramento, Sacramento MG Club, Triumph Travelers in the San Francisco area, Central Coast British Car Club in Newbury Park, Southern California Triumph Owners in L.A., and Triumph Register of Southern California, Chatsworth. I know there are other British Clubs out there, and as I said spread this around as far as possible. The "book" can always be updated as new names come in. Assure your members that the list will only be used within the Clubs listed - not sold to a mailing list company (I guess we have to trust each other here). Also, if you have any suggestions let me know for I am open to any and all (you can call me at 916 - 689 - 3323).
I hope you push this along - I think it is a good idea, but its success depends on you, and your Club members.

Sincerely,
Jim Messineo
