Presidents Letter

June is finally upon us and our big event of the year is less than a month away. We had a good attendance at our last club meeting and with our year ending in December we are looking for new people to fill the spots on the board. This is the heart of the club and our board members really make the club and our events special. We ask you to think about getting involved as many of the board positions will be open. President, Treasurer and Recorder are the major openings so if you have an interest please let me know.

The Car show will be held at Channel Islands Harbor Park on Sunday July 17th. We still need volunteers for Saturday July 16, 2016. We will have a walk through meeting at the show site in the morning with the Harbor Master where we will setup the barricades and area tape. We also need people the day of the show so if you can help, even if it is just for a period of time while you are at the show please sign-up as this will help let the people who have agreed to work at the show also enjoy. If you sign up to help with the car show you will receive an E-Mail approximately one week before as a reminder as we all know life has a way of changing things and our schedules.

Here are some of the positions where we still need some help:

Parking Directors = Helps park cars on the grass in the class areas.

Registration Table = Collects day of show forms and assigns car classes for show.

Raffle Table = Sells raffle tickets and helps at the registration area.

Regalia Table = Helps sell raffle tickets and regalia and helps in the registration area, answers questions for membership and such.

Setup and Take Down = Help setup and take down the registration and class areas and cleanup the area at the end of the day.

If you can help in any of the above positions, please sign-up at our next club meeting at Mimi's Café on July 5th as this will help let the people who have agreed to work at the show also enjoy the show. Thank you,

Jim, President

The 2016 CCBCC car show is coming down the road like a fast car. A signup sheet was passed around the meeting for volunteers to sign up for different work positions for the car show. An e-mail will be coming out address to those that have signed up to work the car show. The car show registration flyers have been passed out at the Queen's English and other events by members. November 6, 2016 Teddy Bear Run.

The Teddy Bear Run has been an event that the CCBCC supports and this will be the 27th year helping the Penfield School at Jasmine Rd and Henderson Rd in Ventura, CA. to collect stuffed Teddy Bears and only Stuffed Teddy Bears. This school works with special needs students.

The collection of stuffed Teddy Bears for the school at this drive is the main reason for this event as they are used to help the children of the school in their training and education and providing a gift during the holiday season to each student at the school.

There also will be a Pasta Lunch for the students on December 9, 2016 by the club at the school and staffed by the clubs members. The staff of the school hands out the Teddy Bears that are collected at this drive at that time so start looking for that special stuffed Teddy Bear for this event as they tend to be a little difficult to find as we get closer to the event date.

More information will be coming and Jack Waschbusch is the point of contact for this event.

Calling all Classic Car and Motorcycle Owners:

You and a guest are invited to join us at this year's **Wings Over Camarillo Air Show**.

To participate in the parade of cars and bikes, arrive at Gate 3 between 8:00–9:00 am, Saturday, Sunday or both days. Your tickets for the entire weekend are FREE. However, tax deductible donations are accepted and greatly appreciated. All proceeds from the Air Show go directly to deserving charities that serve and strengthen our Community. It will be a fantastic fun-filled weekend for all.

To reserve your space, please email us at: CarsAndBikes@wingsovercamarillo.com,

These shows are lots of fun. You can see Dave Reid's jag in the upper left of the poster. We have been to a couple of them. You get free entrance into the air show and have a great place to park. You can bring chairs, ice chests, etc. You just need to send an e-mail to the address above to tell them what day you will be showing up. In the past you have the opportunity to park your car in front of a cool old plane and take pictures. Last year, we got to drive the tarmac single file for all the visitors at the show.

July 30th 2016 Ventura High School Annual All Class Reunion & Car Show

Triumphfest 2016 will be hosted by TRSC and will be held in Ventura, California, September 8-11

The Triumph Register of Southern California enthusiastically invites you to beautiful Ventura, California to experience Triumphfest 2016. The event will be held **September 8,9,10, and 11th.** at the newly remodeled Ventura Beach Marriott Hotel, near the junction of the 101 and 126 on the ocean side of 101.

Cool sea breezes, amazing roads, and all of your favorite T-fest activities will make driving your Triumph an experience to remember. All years and models are welcome, stock to race ready!

The discounted room rates will be available a few days before and after the event. Watch this site for more information to come!

To visit the Triumph 2016 website, <http://www.triumphfest2016.com/> Both the hotel and event forms are available there.

Most of the family of Triumph cars over the years have been used in motorsport. Whether it's road rallies, road racing, or even drag racing, Triumphs have not only done it all, they're still doing it. We think that makes the Triumph marque rather unique, and it infuses a little sportiness into every model: sort of 'Zoom-Zoom' before that became popular.

Our event logo speaks directly to that sporting heritage by paying homage to the Kastner-Brophy door graphics from the 1970's.

I am attempting to put out a newsletter every month, there may be times I miss a month due to being away.

The newsletter is a vital piece of communication to keep members informed of what is happening within our club and lists events that are happening that may be of interest to club members.

I would like to feature one member's British car on the cover of each newsletter. If you would like your ride displayed on the cover, please send me a high resolution picture of it in a nice place (not just the parking lot at work!!) to dtreid@gmail.com

I have no more pictures to put on the front cover. Let's see yours on future issues. Please send to me dtreid@gmail.com

ARTICLES NEEDED:

The newsletter is in desperate of articles on anything to do with the club or british cars. Please use Microsoft Word and save as a document. If possible use font Arial and do not do any formatting, just paragraphs of words.
