"In For Refurbishment" By James Marsala

Rear axle was leaking 140W (from the rear end) out past the axle tube seals & bearing onto the brake shoes; making it impossible to safely stop the TC. This is the typical, mechanical equivalent of the electronics "IFTTT" (if this then that) or best known in the mechanical trades as "Well, might as well" (as in your already part way there, why not also fix????). So I'm in the process of redoing a lot of things involving the interior, suspension, engine, brake system, rear axle seal kit and not the least of which is re-doing the paint on a few parts. Hope to drive it before winter; although that never stopped me.

Election of Board of Directors for CCBCC

All positions for the board of directors of the CCBCC will be up for vote at the Christmas brunch this Dec.

Vice President—Takes over for the President when he/she is absent.

Membership chairperson is currently held by Pam Justin. This position requires keeping track of who has renewed, who the new members are, keeping track of T-shirts and badges for those that need them.

Newsletter editor writes the newsletter monthly or bi-monthly and send it out via e-mail.

We could not run this show without our wonderful volunteers. ReCap of GOF (Gathering of The Faithful)

This yearly reunion in Oregon of all MG's was lots of fun. There were about 85 cars that showed up to Eagle Resort in Redmond, Oregon. The entire 5 days were planned out to keep us busy and enjoying our MG's.

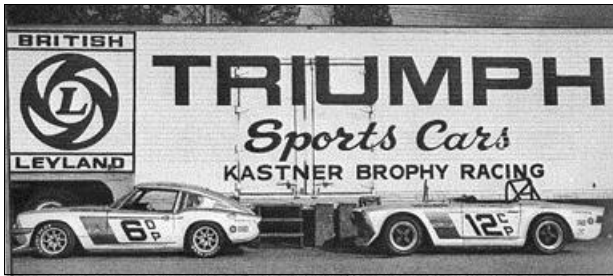

We did a tour of the area, had a couple of group dinners and did the funkana and carless funkana. Fun times, doing skills in our MG's and out of our MG's. Dave and I actually placed 1st in the Funkana in TC's and earlier class.

Non-club car events coming up

Triumphfest 2016, Ventura, California, September 8-11

The Triumph Register of Southern California enthusiastically invites you to beautiful Ventura, California to experience Triumphfest 2016. The event will be held **September 8,9,10, and 11th.** at the newly remodeled Ventura Beach Marriott Hotel, near the junction of the 101 and 126 on the ocean side of 101.

Cool sea breezes, amazing roads, and all of your favorite T-fest activities will make driving your Triumph an experience to remember. All years and models are welcome, stock to race ready!

The discounted room rates will be available a few days before and after the event. Watch this site for more information to come!

To visit the Triumph 2016 website, <http://www.triumphfest2016.com/> Both the hotel and event forms are available there.

Most of the family of Triumph cars over the years have been used in motorsport. Whether it's road rallies, road racing, or even drag racing, Triumphs have not only done it all, they're still doing it. We think that makes the Triumph marque rather unique, and it infuses a little sportiness into every model: sort of 'Zoom-Zoom' before that became popular.

Our event logo speaks directly to that sporting heritage by paying homage to the Kastner-Brophy door graphics from the 1970's.

October 15 Malamut Auto Museum

Dave and I visited this private museum with our MG Club (TC motoring Guild) a number of months back. What a delightful surprise this was. One other car club was present, The Bentley club. Not only are there many many cars to look at; but there were lots of collections of other items. These included; but not limited to: Rattan furniture, old radios and TV's, kitchen appliances, sewing machines, a Bob's Big Boy collection, a Pep Boys collection, mid-century modern furniture, and juke boxes that still play. Some items are in glass cases; but the other items that are out you can actually touch and sit on. The museum is a work of love by Mr. and Mrs. Malamut. There is no charge to get in and they even have coffee and snacks to welcome us.

Watch your e-mail for directions and drive to get there and whether we are doing breakfast first or lunch after.

I am attempting to put out a newsletter every month, there may be times I miss a month due to being away.

The newsletter is a vital piece of communication to keep members informed of what is happening within our club and lists events that are happening that may be of interest to club members.

I would like to feature one member's British car on the cover of each newsletter. If you would like your ride displayed on the cover, please send me a high resolution picture of it in a nice place (not just the parking lot at work!!) to dtreid@gmail.com

I have a few more pictures to put on the front covers. Keep them coming for future editions and beyond. Please send to me dtreid@gmail.com
