Three couples from the club went to Monterey for car week. We had a blast going to the Motorsports Kick off car show, The "Little Car Show", the historic races at Laguna Seca, a number of auctions, The concours d'Lemons and the Concours d'Elegance.

We saw Vicky and Rand Hoffman, Randy and Delores Wilson, & Ron and Donna Avery at some of the events.

PRESIDENTS MESSAGE

The elections are coming up in December, where we elect the board members. Normally I would not be talking about the elections this early, but this year is a different situation. There are two positions where the incumbent is not seeking re-election and we desperately need to fill these positions. The club recorder and President are both open positions that we need to fill. The club cannot function unless we fill these two positions. I cannot emphasize this enough.

The club recorder position is a one-year term and entails taking minutes at the club meetings and events. There is a form to fill out for this and it really does not take up much time. This position has voting rights and you must attend the general and board meetings. The board meetings are done remotely over Skype once a month. In case you are wondering, we need to record our meeting minutes to conform to the club by-laws. Our by-laws allow us to be a nonprofit club registered with the state and federal government.

The President position is two-year term and entails making sure the club runs smoothly. This includes running the monthly board and general meetings, working with the board, and ensuring the club adheres to the by-laws.

I have been the President of the club for the last 5-1/2 years and have really enjoyed doing this job. When Jim Hill approached me about running for President, I was very apprehensive about it. I thought about it for weeks and finally decided that someone needed to do it, or the club may not exist. I am very glad I made the decision to run. I have gotten to work with some fantastic people and made lots of friends during this time. It has been very enjoyable time for me being club President.

If you are thinking about either of these positions, please keep in mind that you will not be alone and you will have help. Our current recorder Martin Keller will be available for questions and the other board members will help as well. For the President position I will remain as the President's advisor and will be available for any questions or guidance.

We are also creating a new position in the club for an Assistant Treasurer. Chris Vujea is our Treasurer now. Next year she will be doing a lot of traveling. This means she will not be able to do some of the local duties. We are looking for someone to volunteer to pick up the mail a couple times a week in Ventura, make bank deposits when we get checks, and attend the board meetings remotely. In Chris's absence this position will get a vote in the board meetings. For this position you do not need any bookkeeping knowledge.

To keep the club going we will need some members to volunteer for these positions. Please contact me if you have any questions or are interested in any of the positions.

Thank You

Michael

Topic 1: Car Show Raffle Items

Well folks the CCBCC Annual Car Show is fast approaching (2nd Oct. 2022) and the car show committee is trying to collect raffle prizes for the show. At present we only have a few items for the raffle and are hoping that the membership will help provide some items for the raffle. These should be items that focus on autos (especially British) and be things that can be of interest to the folks who are purchasing raffle tickets during the car show. Contact Terry Schuller at dtried@gmail.com or Pam Justin at pquilter1@hotmail.com to arrange collection of your item or bring the item you wish to donate to the next club meeting. These items should be new or in very good condition especially if it is auto parts that you might have in reserve in your stock pile of British parts.

Topic 2: CCBCC Elections

The club will be holding its yearly election of Board Members at the Annual Holiday Party in December 2022.

This year we will be electing a new President as our current President Michael Gustafson is moving and we need a leader for the club. This position seems to be a lot of responsibility but in fact the board members and club members make this position enjoyable and fairly easy. Michael has said he will assist in the transition and will be the Presidents Advisor even though he will be moving out of the area as he will be just a phone call or Zoom Meeting away to help out.

We will also be looking for a Recorder as the present recorders business responsibilities are meaning more travel time away from the local area. This position records the Board Meetings (usually a Zoom Meeting) and the Monthly General Club Meeting and provides a copy of the meeting notes to the President and the News Letter Editor for publication in the club's newsletter. The present recorder has developed a form for each meeting and is willing to assist in the transition of the new recorder of the club.

The Treasure position is looking for an Assistant Treasure to fill in for the present treasure when she is traveling and to assist with general club duties. This will be a new position for the club and will be a voting board member when the treasure is not in the local area / meetings and a vote by the board is necessary to proceed with club business. If interested contact Chris Vujea at ccbccbooks2017@gmail.com or Michael Gustafson at mikeguss999@gmail.com for further information on this position.

The other board member positions are also open if you would like to participate in the club's decision making at the board level so if you wish to run for a position let any board member know so your name can be presented at the Holiday Party Election.

Continued on next pg.

Topic 3: Sept. 24, 2022 Cuyama Buckhorn Restaurant Lunch and Drive

On Saturday 24th of September the club will have a drive from Ventura to the Buckhorn Restaurant for an outing. The route starts in Ventura and proceeds up the HWY 33 to HWY 166 then left to New Cuyama and the restaurant. After our stop at the restaurant a number of members who will be on the drive will be heading to some of the Wineries to sample the wines and collect some bottles of wine. The rest of us will return back the route we arrived on to the Ventura area and home. This drive is about 85 miles each way so we plan to stop about mid-way for a short break and some photos for the new letter. We also plan to stop at the Santa Barbara Pistachio Company and stock up on their pistachios as they are very good. More information will be coming out as an email to all the club members as we get closer to the date.

Topic 4: CCBCC Car Show Oct. 2, 2022

The CCBCC Car Show is coming up quickly so if you have not registered and are planning on attending, please get that registration in so the committee can get a good count and plan the layout of the mark fields for the show. Also, if you pre-register you are insured of receiving one of the car show shirts with your entry to the show. Here is a link to the registration if you need it.

How about an article for the newsletter??? I know you have something to say about your car, a trip with your car, an outing, a technical article. I am sure you must have a picture of your drive that you would like to see on the cover of the newsletter.

I am attempting to put out a newsletter every month, there may be times I miss a month due to being away.

The newsletter is a vital piece of communication to keep members informed of what is happening within our club and lists events that are happening that may be of interest to club members.

I would like to feature one member's British car on the cover of each newsletter. If you would like your ride displayed on the cover, please send me a high resolution picture of it in a nice place (not just the parking lot at work!!) to dtreid@gmail.com

I have no more pictures for the front page of the newsletter. Let's see some of your favorite pics of your British car.

ARTICLES NEEDED:

The newsletter is in need of articles on anything to do with the club or British cars. Please use Microsoft Word and save as a document. If possible use font Arial, size 12 and do not do any formatting, just paragraphs of words.

Another Mini? Yep, Another Mini - Scheduled for October 10th thru the 14th, 2022, Monday thru Friday

We had such a fun time with the Mini last year, we will have another one this year. It is called the Mini as opposed to the Mille because it is shorter. It's a little over 600 miles in 5 days instead of over 1,000 miles for the Mille.

5 days? Yes. 5 days. Last year it was 4 days but one of those days was a little hurried so we will add another day to make the tour a little more leisurely.

On the first day, the picnic lunch at Dinosaur Caves Park will be 2 hours instead of one. Last year, happy hour was one hour. This year, happy hour will be 2 hours. And we will figure out a way to have heavier hors d'oeuvres at happy hour.

This mini will have more of an emphasis on socializing. And we will have more time to enjoy Monterey with our friends on the tour.

The route: Day 1: Ventura to Cambria. Day 2: Cambria to Monterey. Day 3: Monterey and the 17 mile drive. Day 4: Monterey to San Luis Obispo or Avial Beach. Day 5: Return to Ventura

The cost? With inflation as it is, the strategy will be to stay at some nice places that are close to restaurants and attractions that will be reasonable in costs.

That's it so far. More details to come.

If you have any questions or suggestions, email or phone us. Mike & Gina Carlson 832/655-8760

Car Show at the Camarillo Airshow

by Zelda and Doug Wochna

It was truly a Premiere Air Show! Complete with pyrotechnics!

On Sunday, August 21, 2022, more than a dozen Central Coast British Car Club members met at the Willis and Eubanks intersection. They had gathered to attend the car show at Camarillo Airport's 41st Annual Wings Over Camarillo Air Show, Car Show and Exhibits.

The outside temperature was cold, humid and cloudy. When the proper time arrived, 14 cars representing CCBCC drove onto the airfield's car show area. We were on row three of what would become six rows of cars present.

We were all busy getting our cars ready for the show. Some set up displays, others placed their sitting chairs facing the runway and still others polished and cleaned their cars. As the morning progressed, the temperature warmed and the overcast sky became clearer and clearer.

After the car set-ups were completed, a few members toured the car show field looking at the other interesting automobiles. Some of the vehicles were very impressive. Zelda stayed at her MGB and talked to almost everyone who walked past the car. She allowed children and young adults to sit in the driver's seat and hopefully become future British car drivers. The children enjoyed pretending to drive her car. The parents took photographs of their child, thoroughly happy. As the day progressed on, a beautiful red Ferrari parked next to our red MGB.

The air show officially opened up with the singing of the Stars Spangled Banner, and military cadet paratroopers jumping out of their plane. One trooper had an American Flag attached to his foot. As part of this opening act, the paratroopers performed various acrobatic stunts and then landed in a precise spot on the field. Next, the single wing and Bi-plane aircraft performed acrobatics. One of the acts, Skywriting, was about writing a huge heart in the sky.

As the morning became afternoon, it was time for the Parade of Cars on the runway. Four vehicles from our club (MGB 1980, MGB 1979, a MGB and a Triumph TR 250), had the honor of driving in the parade. The parade of cars were split into two lines so British cars were mentioned twice during the parade.

Once the parade was over, the most of the cars left the show field. The air show continued on with more aerodynamic acts with turbo jets which consisted of civilian pilots and then the military pilots flew their crafts. Those stunts were body shaking and ear shatteringly loud. When the pyrotechnics went off, you could feel the heat and impact of the blast from across the runway.

When it was all said and done, the children were exhausted and the adults were hot and sweaty. Everybody wanted to go home. But, we all walked back to our cars with smiles on our faces. It was a great show.
