“Fancy A Cuppa” - Time with your President

Right vs Left

According to the National Motor Museum, it is possible that the custom of driving on the left may have been used as an early road safety measure. At a time when the main danger on the roads was mugging, careful travelers would pass on-coming strangers on the left with their sword arm towards the passer-by.

In Europe, Pope Boniface VIII instructed pilgrims to keep to the left in the year 1300. Later, class distinction in France meant that aristocrats drove their carriages on the left side of the road forcing everybody else over to the center, or to the right-hand side. With the onset of the French Revolution in 1789 and the subsequent declaration of the rights of man in 1791, many aristocrats decided to keep to the ‘poor side’ of the road so as not to draw attention to themselves. Keeping to the right of the road was also seen as a way of defying the earlier Papal decree.

The subsequent Revolutionary wars and Napoleon’s European conquests led to the spread of driving on the right to Switzerland, Germany, Italy, Poland, Spain, Belgium and the Netherlands. Napoleon ordered his armies to use the right-hand side of the road in-order to avoid congestion during military maneuvers. The nations that resisted invasion – Britain, the Austro-Hungarian Empire, Russia and Portugal, generally kept to the left.

The keep left rule did not become law in Britain until the increase in horse traffic made some sort of enforcement essential. Before this, the drivers of coaches leaving London for the country simply chose the firmest part of the road. The main dates for the introduction of the legal requirement to keep left are:

- 1756 – London Bridge
- 1772 – Towns in Scotland
- 1835 – All roads in Great Britain and Ireland

The Netherlands changed to driving on the right in 1795, but Dutch colonies in the Far East continued the old practices. Denmark had not been invaded by the French but changed in 1793. Russia did not switch until 1916. Czechoslovakia and Hungary were the last countries in mainland Europe to keep left, only changing to the right following invasion by Germany in the late 1930’s. Portugal made the change from left to right in the 1920s. Countries with border crossings found there was great confusion if drivers were required to change sides of the road when passing from country to country.

Sweden remained on the left until 1967 and changed to the right following a lengthy road safety campaign.

In Austria from 1805 to 1939 half the country drove on the left whilst the other half, the area that had been invaded by Napoleon, drove on the right!

Most of the British Empire adopted the British custom of driving on the left although Egypt, which had been conquered by Napoleon, kept using the right after it became a British dependency.

Pakistan considered changing from left to right in the 1960s. The main argument against was that camel trains often drove through the night while their drivers dozed. The difficulty in teaching old camel’s new tricks was a decisive factor in Pakistan rejecting the change.

Canada stayed on the left until the 1920s. During the American War of Independence, French liberal reformer General Lafayette gave advice to the revolutionary forces and spread the idea of driving on the right. The keep right rule was applied to the Pennsylvania turnpike in 1792, New York in 1804 and New Jersey in 1813.

Bucking the normal trend, the Pacific island of Samoa made the switch from driving on the right to driving on the left side of the road on 7 September 2009. The official reason given was so-as to fall in line with near neighbors, Australia and New Zealand which, like Britain, still drive on the left.

Are you cross eyed yet?

Cheers,
Ted

WINGS OVER CAMARILLO AIR SHOW, AUG 16, 17 BY Martin KELLER

If you plan to attend the Wings Over Camarillo Air Show this year the club has been meeting as a group so we can park together at the show.

I have purchased my entry ticket for the **Saturday August 16, 2025** entry to the show.

If you are interested in attending the air show and parking with our group, you need to purchase your ticket at the following link, and selecting the **Saturday General admission ticket** which let one car and two people into the event. Tickets can only be purchased online just so you know and they go fast so I would recommend that you do it very soon as the Saturday show usually sells out early.

Once you have done this please let me know by sending me an email to MHKflyer52@outlook.com so I can put you on the list of people who will be attending so we do not enter before we meet at the airport.

We will meet at the Camarillo Airport on Willis Ave just off Eubanks St at 7:00 am on Saturday August 16, 2025.

To get to the meeting location from Las Posas Rd and Pleasant Valley Rd you will take the second right off Pleasant Valley Rd onto Eubanks St and then the second right onto Willis Ave and park along the right side of the street.

**We will then drive to the show entrance as a group so we can park together.
Make sure to bring a chair and sun screen and water as it can get hot during the day.**

Happy Birthday to Joel

Please join us at the
2025 All Triumph Drive In
Port Angeles, Washington
September 11—14, 2025

We are very excited to invite all our Triumph friends to Port Angeles, at the foothills of beautiful Olympic National Park.

Our host hotel is the Red Lion of Port Angeles, which has beautiful views of the Strait of Juan de Fuca and seaside walking paths, as well as a pool and a large Triumph parking and car-talk area. There's a hotel restaurant plus we're in easy walking distance to murals, restaurants and shops.

Come early so you can enjoy all the Friday events—car tours, including a Crescent Lake Poker Run or scenic backroads tour of Sequim, a tech session, and our Meet and Greet fajita bar. The Saturday car show is near the picturesque Clallam County Courthouse, built in 1914. Following the show, drive to Hurricane Ridge, then enjoy another tech session at the hotel. The day ends with the traditional banquet and awards evening.

You may want to extend your stay to take in more sights in the Olympic National Park, including Lake Crescent Lodge, Sol Duc hot springs and waterfalls, or a ferry ride to charming Victoria, Canada.

We look forward to seeing you and sharing Triumph stories and adventures together!

Sincerely,
Sherilynn and Rick Casey, ATDI Chairs

Suggestions for Runs, Brunches, Or Visits

We are almost at the first month of the year and the club has only one event planned. Below are numerous suggestions, some we have done in the past and others are new. We need the general membership to step up and offer to take charge of one so we can show off our rides. With 162 members, there are usually just 3-4 people who always are the point of contact for a run.

Suggestions include:

Bennet's Honey Farm, Filmore, contact info: (805) 521-1375

Santa Susana Depot, Simi Valley, contact info: (805)581-3462, www.santasusannadepot.org

Neptunes Net serves breakfast and lunch. Contact info: (310)456-3095, www.neptunesnet.com

Getty Villa, Malibu, contact info: (310)440-7300, <http://www.getty.edu/visit/villa/plan/>

Adamson House, Malibu, contact info: (310)456-8432

The Peterson Museum, Los Angeles, contact info: (323)930-2277, <https://peterson.org/visit/>

Leonis Adobe Ranch and Museum, Calabasas, contact info: (818)222-6511 or email karen@leonisadobemuseum.org.

The club only does about 9 runs a year. We usually do not do one in September as that is our car show month and we have the teddy bear run in November, December is the Christmas luncheon.

If you would like to plan and lead one of these suggestions or have your own, please coordinate the calendar with Joel: j_bar_j@hotmail.com

New Monthly Articles, Need Submissions

Eric Baldwin had a great idea for a monthly article. A few paragraphs of your very first British Car. You may not have a picture from this time; but there are stock photos of all British Cars on the web.

Please submit article and picture(s) to dtreid@gmail.com

I am sure you all have stories to tell. I'll correct spelling and punctuation for you.

All 165 members had a first British Car. Maybe it is your daily driver currently, a show car, does not matter, please send me a small or large article with a pic or two for the newsletter.

Ted Carlsen also has an idea for a new article, what is the current work you are doing to your LBC?

Please send text only in Word and send pictures JPG's separately as attachments with indicators where they go in the article. Send captions separately for the pictures numbered so I know where to put them!

Cars and Coffee, next one August 23rd, 8-10

Cars and Coffee at Crossroads Church will be on the fourth Saturday of the month. We just established a public Facebook page <https://www.facebook.com/groups/948827036240338> and we will be posting photos and announcements concerning the event. The address is 161 Plaza la Vista in Camarillo, and the facility is on the corner of Outlet Center Drive and Plaza la Vista. We will have coffee and donuts available for a donation and if you want Starbucks there is a Kiosk in the outlets about a two-minute walk from the church, it also opens at 8 which is why we scheduled our event from 8 - 10 am.

Cars and Coffee Ojai, Next one August 10th, 8-11

Ojai Cars And Coffee events take place in a gorgeous setting in the parking lot of the Westridge Midtown Market. They happen every second Sunday of the month. 131 W. Ojai Ave. Ojai, CA

Camarillo Old Town Fri. Night Cruise, August 22th, 4-7pm

The Camarillo Old Town Friday Night Cruise! join us on Ventura Boulevard with your classic or collector car between 4pm-7pm. Stop-off for some local takeout or this year you can dine in our on the patios of our beloved Old Town Restaurants!

How about an article for the newsletter??? I know you have something to say about your car, a trip with your car, an outing, a technical article. I am sure you must have a picture of your drive that you would like to see on the cover of the newsletter.

I am attempting to put out a newsletter every month, there may be times I miss a month due to being away.

The newsletter is a vital piece of communication to keep members informed of what is happening within our club and lists events that are happening that may be of interest to club members.

I would like to feature one member's British car on the cover of each newsletter. If you would like your ride displayed on the cover, please send me a high resolution picture of it in a nice place (not just the parking lot at work!!) to dtreid@gmail.com

Thanks to all who have sent front cover pictures. I have a few ahead of time; but will always accept your car pic and a short write up about it.

ARTICLES NEEDED:

The newsletter is in need of articles on anything to do with the club or British cars. Please use Microsoft Word and save as a document. If possible use font Arial, size 12 and do not do any formatting, just paragraphs of words. Send pictures separately with indication where they go in the article.

I am considering selling my white 1967 Morris Minor Tourer, safely stored in my garage here in Ventura. I am also considering becoming a member of your club! I started the Norwegian Morris Minor Club in 1978 and have owned many Minors.

Only 462 Tourers were produced the next to last year they were made. This car is in very good condition. I am the second owner, and it has been in my garage for almost 25 years – only driven occasionally a few times a year to keep it in good running condition. It runs like new, and it has only appr. 46 000 miles on the odometer. It has never even seen rain as far as I know.

Please [let me know](mailto:olafengvig@earthlink.net) if this is of interest. Olaf Engvig monaengvig@earthlink.net (818) 266 5170
